Trailblazing Kingdom Builders

Since 1960 Sport X Change has been sharing the Gospel around the world through the platform of short-term mission outreaches. Our focus is to create relationships by breaking down barriers in unreached areas of Latin America. Our most developed areas are Panama, Colombia, Ecuador, Venezuela, and Bolivia.

For many years now Sport X Change boots on the ground missionaries have trailblazed through many cultural obstacles using humanitarian and sports ministries. Discipleship programs, sports clubs, and church plants have been developed in several indigenous tribes, intercity communities, and sports federations.

We are praying that through this fundraising golf tournament that the Holy Spirit will raise up like-minded passionate partners to help provide a facility in our Panama base and continue to sustain the ongoing Sport X Change ministries in Latin America.
